#### Clarification of News Report

On 10 March 2025, PIZZA held a company event with the media.

During said event, President and Chief Executive Vicente Gregorio was asked in a one-on-one interview regarding 2024 results.

The article stated:

For its 2024 results, Gregorio said the group posted a double-digit growth. The company is still finalizing its numbers, he said.

'But there's still growth. We're happy that despite the very challenging market conditions last year, we're proud to say they're one of those few brands that still have been growing healthy.'

To clarify the statement, while the Company is still undertaking an audit of its financial results, preliminary systemwide sales reflect double-digit growth in 2024. Official audited results will be released on or before 15 April 2025.

We trust that you find the foregoing clarification sufficient and in order.
